

FOR IMMEDIATE RELEASE:

Wilwood Disc Brakes Announces New Aerolite 15" Front Brake Kits for the Early Chevrolet Camaro, Nova and Chevelle

Camarillo, CA • August, 2015

Wilwood's forged aluminum Aerolite radial mount calipers and 15.00" diameter **Spec37** alloy directional vane two-piece rotors are combined in these all new brake upgrade packages for the early Chevrolet Camaro, Nova, Chevelle and other GM AFX body cars. Six piston calipers are available in gloss black or red powder coat finish and are paired with Wilwood's metallic-composite compound *SmartPads*. Both GT slotted and SRP drilled and slotted rotors deliver high-torque stopping power, optimized cooling efficiency and high-tech styling for the street or track.

Kits includes all necessary hardware and a detailed instruction guide for an easy bolt-on installation.

M.S.R.P. starts at \$2,122.39.
