

FOR IMMEDIATE RELEASE:

Wilwood Engineering's New Jeep JK Front and Rear Disc Brake Upgrade Kits

Camarillo, CA • September, 2015

Wilwood's new front and rear disc brake upgrade kits for the 2007-present Jeep JK feature forged aluminum Superlite 4R radial mount four piston calipers in gloss black or red powder coat. Front 14.00" rotors matched with either 12.88" or 14.00" rear rotors are available SRP drilled and slotted, or GT pattern with face slots only. Slide in a set of BP-10 compound metallic composite *SmartPads* and you have a setup that delivers high-torque stopping power, optimized cooling and high-tech styling in an easy to install bolt-on package.

M.S.R.P. starts at \$1,741.59.
