

**FOR IMMEDIATE RELEASE:**

## **Wilwood Engineering's New Rear Parking Brake Kit for the Mazda MX-5 Miata**

**Camarillo, CA • November, 2015**

Wilwood's rear DynaPro 4R / MC4 parking brake kit with 12.88" rotors for the 2006-2015 Mazda MX-5 Miata replaces the factory components on models equipped with 17" or larger wheels. Calipers are available with either gloss black or red powder coat finishes, and a choice of either SRP drilled and slotted or GT competition series face slotted rotors. BP compound *SmartPads* are included to provide high performance response for the street or track. All the necessary hardware, DOT compliant stainless steel braided flexlines and a parking brake cable adapter kit are included with a detailed installation manual to guide the fully bolt-on installation.

M.S.R.P. starts at \$1,791.93.

WILWOOD P/N: 140-15034-DR
