

FOR IMMEDIATE RELEASE:

Wilwood Engineering's New Rear Parking Brake Kit for Factory Five Roadster and Ford Mustang IRS

Camarillo, CA • November, 2015

Wilwood is proud to announce their new rear DynaPro 4R / MC4 parking brake kit with 12.88" rotors for the Factory Five Roadster and 2015-Present Ford Mustang IRS (Independent Rear Suspension). Calipers are available with either gloss black or red powder coat finishes, and a choice of either SRP drilled and slotted or GT competition series face slotted rotors. BP compound *SmartPads* are included to provide high performance response for the street or track. All the necessary hardware, DOT compliant stainless steel braided flexlines and a detailed installation guide make for an effortless bolt-on installation.

M.S.R.P. starts at \$1,791.93.
