## **Wilwood Renews Title Sponsorship of Wilwood Corvette Challenge**

**Camarillo, CA • January 2016**

Wilwood Disc Brakes is pleased to announce the renewal of their partnership with Speed Ventures as title sponsor of the Wilwood Corvette Challenge for the 2016 season.

This is the second consecutive year as title sponsor of the Wilwood Corvette Challenge, a time-trialing series that promotes friendly competition amongst drivers from all levels of experience and tests their skills against the clock. The series is open to all Corvette models within four classes: stock, modified, super-modified and unlimited.

"We are excited to continue our partnership with Speed Ventures and look forward to another successful season," said Steve Cornelius, Director of Sales and Marketing for Wilwood Engineering. "The series promotes participation from all Corvette models and that aligns perfectly with Wilwood's wide selection of brake kits and components for one of the most well-known premier performance vehicles."

The Wilwood Corvette Challenge season kicks off this weekend on Saturday, January 16 at Auto Club Speedway in Fontana, California.
