

FOR IMMEDIATE RELEASE:

Wilwood Disc Brake's New Ford F-250/F-350 Truck Disc Brake Upgrade Kits

Camarillo, CA • June 2016

Wilwood's TX6R Tactical Xtreme brake systems are now available for all single rear wheel (SRW) 2005-2012 Ford F-250 and F-350 Super Duty four-wheel drive trucks. Using components and technology originally developed by Wilwood for tactical, armored and extreme-duty specialized applications, TX6R systems provide unmatched braking capacity and durability for all types of high-demand highway, towing, hauling, commercial and heavy load off-road applications

Supplied with BP-20 composite-metallic *SmartPads*, all the necessary hardware and a detailed installation guide, these application-specific systems are designed for full compatibility with the OE hydraulics and ABS system controls.

MSRP starts at \$2,127.94 each for the front and rear kits.
