

FOR IMMEDIATE RELEASE:

Wilwood Disc Brakes Announces New BMW E36 M3 Front Road Racing Brake Kit

Camarillo, CA • December 2019

Wilwood's championship-proven road racing brake system is now available for the 1996-1999 BMW E36 M3 platform. This system is engineered application-specific for production-based chassis using the factory hydraulics and all-dynamic electronic controls.

Competition Aerolite 6R/ST front calipers are paired with 14.00" diameter, GT Competition series, **Spec37** alloy, two-piece dynamic mount lug drive rotor assembly. The kit attaches to the OE hubs in the stock location with aluminum hats and a snap ring kit.

Kits include BP-30 endurance racing compound *SmartPads*, mounting brackets, hardware, DOT approved stainless braided flexlines, and a detailed instruction guide for a complete installation.

MSRP starts at \$2,873.99
