

**FOR IMMEDIATE RELEASE:**

## **Wilwood Disc Brakes Announces New Front and Rear Big Brake Kits for 1999-2015 GM 2500 Series Truck/SUV**

**Camarillo, CA • July, 2015**

Wilwood's TX6R Tactical Xtreme forged aluminum calipers are the center point of these new front and rear 15" - 16" upgrade disc brake kits for heavy duty General Motors vehicles handling up to 14,000 GVWR. Designed for both highway and off-road, these kits offer easy bolt-on installation inside appropriately sized wheels, and are fully compatible with all Original Equipment controls.

The extraordinary clamping force of the high capacity calipers loaded with superior response, fade resistant BP-20 *SmartPads* are combined with large diameter **Spec37** directional vane GT slotted rotors to deliver unmatched stopping power, cooling and durability. Calipers are available in gloss black or red powder coat or clear anodize finish.

M.S.R.P. starts at \$2,127.94.
