[Wilwood Disc Brakes Releases Upgrade Kits for 2004-2008 Ford F-150 Trucks](#)

Camarillo, CA • March, 2017

Wilwood's TX6R Tactical Xtreme front brake kits are now available for 2004-2008 Ford F-150 four-wheel drive trucks. Using components and technology originally developed by Wilwood for tactical, armored and extreme-duty specialized applications, TX6R brake kits provide unmatched braking capacity and durability for all types of high-demand highway, towing, hauling, commercial and heavy load off-road applications.

Supplied with BP-20 composite-metallic *SmartPads*, braided stainless steel flexlines, all necessary hardware and a detailed installation guide, these application-specific braking systems are designed for full compatibility with the OE hydraulics and ABS system controls.

MSRP starts at \$2,295.94.
