

**FOR IMMEDIATE RELEASE:**

## **Wilwood Disc Brakes Introduces Pinto / Mustang II 5 x 5.00" Front Brake Kits**

**Camarillo, CA • September 2017**

Wilwood has released four new brake kits for the OE-style Pinto / Mustang II spindles and Wilwood's replacement ProSpindle for Mustang II style suspensions. These kits offer Wilwood's high-tech styling and proven big brake performance, and include an all new hub configured specifically for 5 x 5.00" stud pattern wheels.

Kits feature 12.19" diameter x .81" thick vented rotors in either the HP smooth face, or SRP drilled and slotted style. Choices of four piston FDLI or six piston DP6 calipers are available in 24 colors, including our signature gloss black and competition red, to personalize any custom street, strip, or show-quality hot rod project.

MSRP starts at \$1,203.99.
