

FOR IMMEDIATE RELEASE:

Wilwood Disc Brakes Announces New Front and Rear Upgrade Brake Kits for the BMW E46 M3

Camarillo, CA • February 2018

Wilwood's new disc brake upgrade kits for the 2001-2006 BMW E46 M3 platform features forged aluminum Aerolite 6R front calipers working in tandem with forged aluminum Superlite 4R rear calipers. Front 14.00" and rear 12.88" diameter **Spec37** alloy directional vane rotors are available with GT competition series face-slotted or SRP drilled and slotted patterns. BP series high performance compound *SmartPads* complete a setup that delivers high-torque stopping power, optimized cooling and high-tech styling for the street or track.

Kits include all necessary hardware, DOT approved stainless steel braided flexlines and a detailed instruction guide for an easy bolt-on installation. Calipers are available in our signature gloss black, competition red and 22 additional color options.

MSRP starts at \$2,105.59 for the front kit and \$1,741.59 for the rear kit.
