

**FOR IMMEDIATE RELEASE:**

## **Wilwood Returns as USMTS *Lucky 7 Award* Sponsor in 2017**

**Camarillo, CA • February, 2017**

Wilwood Disc Brakes is excited to be named the *Lucky 7 Award* sponsor with the United States Modified Touring Series (USMTS) for the 2017 season.

As part of the sponsorship, Wilwood will provide a \$50 product certificate to the seventh place finisher at each USMTS event. Additionally, one winner will be randomly drawn from all of the drivers that finished seventh throughout the year to receive a complete Wilwood brake kit.

“The Lucky 7 Award is such a unique sponsorship opportunity for Wilwood and series drivers,” said Steve Cornelius, Director of Sales and Marketing at Wilwood Engineering. “There can only be one winner each week and it’s great to work with a series that helps its drivers no matter where they finish.”

For more information about USMTS visit [www.usmts.com](http://www.usmts.com).

### **About Wilwood Engineering**

Founded by Bill Wood in 1977, Wilwood Engineering designs and manufactures high-performance disc brakes and components from their headquarters in Camarillo, California.
