

FOR IMMEDIATE RELEASE:

[Wilwood Disc Brakes Returns as Contingency Sponsor with USAC Racing](#)

Camarillo, CA • April 2017

Wilwood is proud to return as a contingency sponsor with the United States Auto Club (USAC), one of the oldest series and sanctioning bodies in the United States.

As a contingency sponsor, Wilwood will provide a \$50 product certificate to the 13th place feature finisher at every Silver Crown Series, National Sprint Car Series and National Midget Series race throughout the 2017 season.

“Like USAC, Wilwood has a long-standing history of success in the racing industry,” said Steve Cornelius, Sales and Marketing Director at Wilwood Disc Brakes. “Wilwood wants to continue giving back to the racers and help educate them on the latest braking technology available to help them win.”

For more information about USAC visit www.usacracing.com, and visit www.wilwood.com/racing/contingency to get more information about the racing series Wilwood supports.

About Wilwood Engineering

Founded by Bill Wood in 1977, Wilwood Engineering designs and manufactures high-performance disc brakes and components from their headquarters in Camarillo, California.
