

FOR IMMEDIATE RELEASE:

Wilwood Disc Brakes Announces New Front and Rear Road Race Kits for the 2015-Present Ford Mustang

Camarillo, CA • June 2017

Wilwood's 6th Generation Mustang road race kits feature forged aluminum Aerolite 6R/ST front and Superlite 4R/ST rear racing calipers in durable Quick-Silver finish. Kits feature 14.00" diameter premium alloy directional vane GT competition series face-slotted rotors and dynamic mount forged aluminum alloy hats. Included are PolyMatrix H compound brake pads which provide improved friction and durability for road race applications.

These kits have been configured for matched performance with the Original Equipment (OE) master cylinder and are fully functional with the ABS and all electronic controls. All necessary hardware is included with a detailed guide for an easy bolt-on installation.

MSRP starts at \$2,841.99 for the front kit and \$2,261.00 for the rear kit.
