

FOR IMMEDIATE RELEASE:

Wilwood Disc Brakes Introduces Big Brake Front Kits for 2005-2016 Toyota Tacoma Truck

Camarillo, CA • December 2017

Wilwood's two newest front big brake kits for 2005-2016 Toyota Tacoma trucks provide increased braking capacity and long-life durability for all types of highway, towing, hauling, off-road and extreme duty applications.

New big-bore SL6R six piston calipers are mounted with high-performance street compound BP-10 *SmartPads* over either 12.88" or 14.00" diameter directional vane rotors to maximize braking capacity based on wheel size. A choice of black or red powder coat or 22 additional caliper color options can be combined with either GT slotted or e-coated SRP series drilled and slotted rotors to add personal high-tech styling to any truck.

MSRP starts at \$1,741.59.
