

**FOR IMMEDIATE RELEASE:**

## **Wilwood Disc Brakes Announces New Front and Rear Brake Kits for the Nissan Y61 Patrol**

**Camarillo, CA • July 2020**

Wilwood is pleased to announce new front and rear brake kits to upgrade the 1997-2018 Nissan Y61 Patrol body style with a minimum 18" wheel diameter. Wilwood engineers have designed and built in the USA-made, application-specific components to replace the stock brakes while still using the OE spindles.

Front kits feature forged aluminum Aerolite 6R six piston calipers with GT 72 curved-vane **Spec37** rotors. Rear kits feature forged aluminum Aerolite 4R four piston calipers with GTB 42 straight-vane rotors. All kits include fast-response and high-performance BP-20 *SmartPads*, mounting brackets, DOT stainless steel flexlines, and detailed instructions.

MSRP is \$2,234.33 (front) and \$1,814.33 (rear).
