

FOR IMMEDIATE RELEASE:

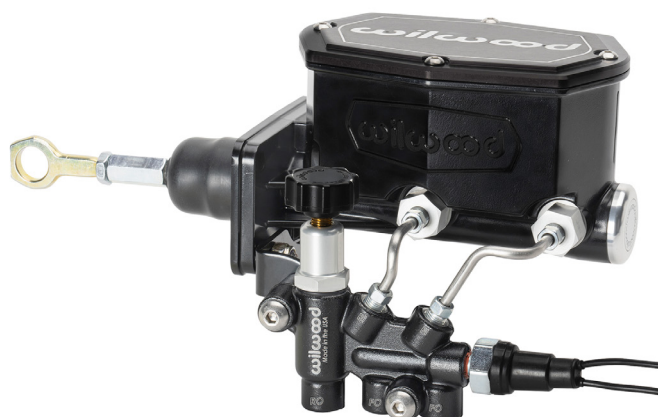

Wilwood Disc Brakes Releases Right-Hand Tandem Master Cylinder Prop Valve Kits for Classic Mopar Four Bolt Mount

Camarillo, CA • February 2025

Wilwood has released new options for classic Mopar owners with the four bolt pattern master cylinder mount of the muscle car era, covering Dodge and Plymouth A, B, and E-body cars. Wilwood's popular **Compact Tandem Master Cylinder** is now available with a right-hand side combination proportioning valve kit which includes pre-bent lines, mounting bracket and brake light switch.

Mopar-specific four bolt master cylinders are made from lightweight, high-strength die-cast aluminum in three bore sizes, 15/16", 1.00", and 1-1/8", and may be purchased separately or with left-hand or right-hand proportioning valve kits. Other options include a push rod model for manual brake systems, and show-quality finishes in gloss black E-coat or chrome powder coat.

MSRP: starts at \$497.06
