

**FOR IMMEDIATE RELEASE:**

## **Wilwood Disc Brakes Announces New Big Brake Rear Kits for the 2012-Present Ford F-150**

**Camarillo, CA • June 2016**

To complement the power and performance of their TX6R big rotor front brake kits, Wilwood has released their new Superlite 6R rear kits for Ford F-150 trucks. SL6R kits are application-matched and engineered to provide the ultimate in stopping power and durability for all types of highway, towing, off-road and extreme-duty vehicles.

SL6R six piston calipers, BP-20 composite metallic *SmartPads*, hat mounted 14.25" diameter **Spec37** alloy GTB-72 directional vane rotors and all the necessary mounting hardware combine for a direct bolt-on installation. All components are fully compatible with the OE master cylinder output, ABS controls and OE parking brake system.

MSRP starts at \$1,884.39.
