

**FOR IMMEDIATE RELEASE:**

## **Wilwood Disc Brakes Announces New Front and Rear Road Race Brake Kits for the BMW E46 M3**

**Camarillo, CA • September 2018**

Wilwood's championship-proven road racing brake system is now available for the 2001-2006 BMW E46 M3 platform. This system is engineered application-specific for production-based chassis using the factory hydraulics and all-dynamic electronic controls. Competition Aerolite 6R/ST front calipers are paired in tandem with Superlite 4R/ST calipers in the rear. Two-piece, dynamic mount front 14.00" (355.6mm) and rear 12.88" (327.2mm) diameter **Spec37** GT competition series directional vane rotors apply the torque delivered from the BP-30 endurance racing compound *SmartPads*.

Kits include mounting brackets, hardware, DOT approved stainless braided flexlines, and a detailed instruction guide for a complete installation.

MSRP is \$2,673.99 for the front kit and \$1,814.39 for the rear kit.
