

FOR IMMEDIATE RELEASE:

Wilwood Disc Brakes Announces New Jeep JL Front Brake Kit Upgrades

Camarillo, CA • October 2019

Wilwood has announced the release of an Aerolite 6R six piston front brake kit with 14.00" diameter rotors for 2018-present Jeep JL models. The Aerolite system provides high-capacity braking for all types of heavy-duty highway, towing, and off-road applications.

The forged aluminum Aerolite calipers feature stainless steel pistons with internal bore seals for reduced heat transfer from the brake pads and long-term reliability. Directional vane **Spec37** alloy rotors deliver high brake torque with unsurpassed heat management and durability. These all-inclusive, bolt-on kits are fully compatible with the OE master cylinder output, ABS and all electronic controls.

MSRP starts at \$2,234.33.
