

FOR IMMEDIATE RELEASE:

Wilwood Disc Brakes Hires Tommy Strup as Outside Sales Contractor

Camarillo, CA • January 2021

Wilwood's Racing division is excited to welcome Tommy Strup as the newest outside sales contractor. Tommy brings more than five decades of racing experience and braking technology knowledge to the Wilwood team.

Since his early childhood, Tommy has spent time at race tracks. He's owned a race program, and worked directly with various race teams, builders and dealers. In 1996, Tommy turned his passion for racing into a career at Heintz Performance. He also spent time at CV Products, Central High Performance and Pro-Systems.

A native and long-time resident of Long Island, NY, Tommy now resides in Charlotte, NC. He will report directly to Dave Brzozowski, Wilwood Motorsports Manager.

Tommy Strup

About Wilwood Engineering

Founded by Bill Wood in 1977, Wilwood Engineering designs and manufactures high-performance disc brakes and components from their headquarters in Camarillo, California. Products are engineered and rigorously tested for any application, creating unsurpassed braking quality and performance with sleek, modern designs. From race cars to classic cars, Wilwood has the brakes to stop you. For more information, contact Wilwood Engineering at info@wilwood.com
