

**FOR IMMEDIATE RELEASE:**

## **Wilwood Announces new Front Disc Brake Kits for Chrysler/Dodge/Plymouth Full-Size Cars**

**Camarillo, CA • February 2016**

Wilwood has released five new disc brake kits for upgrading performance and styling on 1965-1972 Chrysler/Dodge/Plymouth (CDP) full-size C-Body cars. These kit upgrades range from basic to pro-touring style for use with Original Equipment (OE) drum brake spindles.

Calipers are available in four or six piston options. Colors include black or red mounted over 11.00" – 14.00" ULHP plain face, GT slotted or SRP drilled and slotted **Spec37** alloy directional vane rotors. Slide in a set of BP-10 compound metallic composite *SmartPads* and you have a setup that delivers high-torque stopping power, optimized cooling and high-tech styling for the street or track.

MSRP starts at \$783.99.
