

**FOR IMMEDIATE RELEASE:**

**Wilwood Disc Brakes Introduces New W4AR Big Brake Rear Kit for 2010 Camaro**

**Camarillo, CA,      January 6, 2010**

Wilwood forged billet W4AR calipers provide the ultimate in style and performance for rear axle big brake upgrades on the 2010 Camaro. [W4AR kits](#) are designed for use with front brake upgrades on custom machines to compliment wheel, tire, and suspension modifications. Kits are configured for high performance street and show, or dual purpose street and track machines where it's necessary to retain full function of the OE parking brake assembly. Kits include calipers, high performance pads, two-piece rotors, radial mount caliper brackets, and premium grade hardware to mount the calipers to the OE attachment points on the rear axle.
